

## Night of the Barrel

A Hoppy Game of Beers who Conspire

Brand: \_\_\_\_\_ Style: \_\_\_\_\_

Color/Flavor Profile: \_\_\_\_\_

I am served: \_\_\_\_\_

(Examples: in a pint glass/in a specialty glass/every 10 minutes/by buxom women/to hipsters)

It's the **Night of the Barrel**, and the bar has closed early! You and your fellow beer brands have the night off to hatch your plans and be hailed as the Knight of the Barrel!

Fill out your beer profile and draw your label.  
Fill out one set of Glory Goals from the back of this card.

Start with the last person to finish a beer. Set up and role play a scene that includes yourself and at least 1 other beer, until someone disagrees about what happens next. Come up with 2 possible outcomes. All beer(s) not in the scene vote to decide which outcome happens and the scene ends. The next beer to the left sets up the next scene.

Play until someone achieves all their tasks in order, including their final task "For Glory!" Stand up, drink a beer, and be hailed forevermore as the Knight of the Barrel!

## MY GLORY GOAL!

This is how I will become the Knight of the Barrel:

(pick one set, keep it secret)

1. I will \_\_\_\_\_ (verb) for \_\_\_\_\_ (beer)'s benefit.
2. \_\_\_\_\_ (beer) will give me \_\_\_\_\_ (noun).
3. Finally, I will \_\_\_\_\_ (verb) to \_\_\_\_\_ (beer), **for glory!**

1. I will steal something valuable from \_\_\_\_\_ (beer).
2. I will destroy something that \_\_\_\_\_ (beer) cares about.
3. Finally, \_\_\_\_\_ (beer) will attack me, **for glory!**

1. I will learn how \_\_\_\_\_ (beer) feels about \_\_\_\_\_ (beer).
2. I will tell \_\_\_\_\_ (beer) a secret about \_\_\_\_\_ (beer).
3. Finally, I will convince \_\_\_\_\_ (beer) to \_\_\_\_\_ (verb), **for glory!**

1. \_\_\_\_\_ (beer) will say something kind about me.
2. \_\_\_\_\_ (beer) will accept \_\_\_\_\_ (noun) from me.
3. Finally, I will "blend flavors" with \_\_\_\_\_ (beer), **for glory!**
